HIPAA Privacy for Healthcare Plans & Employers

FREE Featured Course

This 60-minute, 2 credit course is designed to cover the Health Insurance Portability and Accountability Act (HIPAA) "Administrative Simplification" standards and regulations for the handling of Protected Health Information (PHI), and focuses on the HIPAA Privacy issues that are specific to employees of Health Plans, Healthcare Clearinghouses, Group Health Plans, and employees not directly employed in the medical field but required to be trained in the proper handling of PHI. The course also covers the ways employers are impacted by the HIPAA Privacy Rule.

This course provides an overview of the Department of Health and Human Services' 45 CFR Parts 160, 162, and 164.
